"(B) The sponsor shall:

(I) Agree to allow for domestic, livestock and miscellaneous water use as provided in this subdivision for applicants in Crook County applying for taps from existing eight (8) inch transmission lines. The eight (8) inch transmission line may be extended by Crook County or by water districts in Crook County to allow for taps. Not more than two hundred (200) taps shall be allowed. Taps shall be installed within one hundred eighty (180) days of receipt of a complete application and fees which shall not exceed the residential rate for tap fees. Taps shall be billed at a rate equal to the local base residential rate charged by the regional water system regardless of use or location plus the local consumption rate. The maximum consumption from any one (1) tap shall not exceed one million (1,000,000) gallons per year; and

(II) Apply for all necessary permits to allow for domestic, livestock and miscellaneous use of Gillette Madison pipeline water in Crook County.".

"99-3-2305. Level III construction projects - dams and reservoirs.

(a) Authorization is granted for the Level III dams and reservoirs construction projects identified in this section subject to the general conditions specified in W.S. 99-3-106.

(b) Project - West Fork Reservoir:

(i) Project sponsor: Savery-Little Snake Water Conservancy District;

(ii) Project purpose: Agricultural water supply;

(iii) Project description: Construction of a new dam on the West Fork Battle Creek to create a reservoir impoundment of approximately ten thousand acre-feet (10,000 AF) and appurtenances necessary to make the project function in the manner intended;

(iv) Total project budget: Seventy-three million dollars (\$73,000,000.00);

(v) Project grant: The state of Wyoming shall grant to the sponsor from water development account III through the commission an amount not to exceed four million six hundred ninety-eight thousand dollars (\$4,698,000.00) to identify, investigate and acquire suitable lands for the purpose of an exchange of lands with the federal government. Funds granted under this section may be expended:

(A) For environmental and cultural investigations, title review for both surface and

subsurface ownership, access and easement agreements, appraisals, purchase options and land procurements;

(B) To perfect agreements or other instruments for the financial participation of project beneficiaries in the state of Colorado on a pro rata basis.

(vi) Appropriation: There is appropriated from water development account III to the commission four million six hundred ninety-eight thousand dollars (\$4,698,000.00) or as much thereof as is necessary to carry out the purpose of this subsection. This appropriation is a partial appropriation of the total seventy-three million dollars (\$73,000,000.00) required for the project. Additional appropriations and funding sources shall be identified to provide full funding for the project before any bids are let for construction. Unexpended funds appropriated under this subsection shall revert to water development account III on July 1, 2021;

(vii) Special conditions: Funds from this appropriation shall not be expended until the project sponsor and the Wyoming water development commission have secured additional funding commitments from project beneficiaries in both Wyoming and Colorado on a pro rata basis. Funds from this appropriation shall not be expended until the expenditure is approved by the legislature."
