5

6 "(c) As used in this section:
7

8 (i) "Light engine" means a locomotive that has no cars
9 attached;
10

11 (ii) "Train or light engine used in connection with
12 the movement of freight" does not include a person who moves
13 locomotives unattached to railcars within a rail yard or an
14 employee who is temporarily assigned to work with train or yard
15 crews consistent with 49 C.F.R. 218.22.". EKLUND, CHAIRMAN
16
