

HB0152H2001

1 Page 2-line 14 Delete "potential".
2
3 Page 2-line 15 After "facilities" insert ", as well as the
4 contact information, if known, of the federal
5 or state government official who may be able
6 to provide further information".
7
8 Page 8-line 15 After "(m)" delete balance of line.
9
10 Page 8-lines 16 and 17 Delete entirely.
11
12 Page 8-line 18 Delete "excavation" and insert "Unless an
13 exception in this subsection is applicable, an
14 excavator shall mark the location of the area
15 or path of excavation before the arrival of an
16 operator or agent of an operator to locate
17 their underground facility. The obligations of
18 an operator specified by W.S. 37-12-302(d)
19 shall not apply until an excavator has
20 complied with the requirements of this
21 subsection". LAURSEN, LARSEN
