6 "(f) As used in this article, "gender identity" means as
7 provided in the most recent edition of the diagnostic and
8 statistical manual of mental disorders published by the American
9 Psychiatric Association and which may be determined through
10 evaluation of relevant information, including the person's medical
11 history, care or treatment of the gender identity, consistent and
12 uniform assertion of the gender identity or other evidence that
13 the gender identity is sincerely held, part of a person's core
14 identity and not asserted for an improper purpose.". SWEENEY
