7 "(iv) Implements an education accountability system  
8 equivalent to the public school education accountability system as  
9 provided in the Wyoming Accountability in Education Act through  
10 all of the following:

11

12 (A) Enter into a contract with the state department of  
13 education to have the students attending the private school take  
14 the statewide assessment. The private school shall ensure that its  
15 students take the statewide assessment in an equivalent manner to  
16 students in the public school system. The private school shall pay  
17 the associated actual costs;

18

19 (B) Use indicators contained in W.S. 21-2-204(c) to  
20 measure school level performance;

21

22 (C) Establish long term and interim performance targets  
23 equivalent to those established for a similar public school as  
24 provided by W.S. 21-2-204(e);

25

26 (D) Compile, evaluate and determine the target levels  
27 for an overall school performance rating and for indicator level  
28 performance in a manner equivalent to a similar public school as  
29 provided by W.S. 21-2-204(f);

30

31 (E) Annually compute and report to the department of  
32 education the overall school performance rating and other  
33 performance determinations.

34

35 (v) When providing a high school education, require students  
36 to complete the following courses in order to graduate;

37

38 (A) Four (4) school years of English;

39

40 (B) Three (3) school years of mathematics;

41

42 (C) Three (3) school years of science, one (1) year of  
43 which may be satisfied by one (1) year of computer science; and

44

1                   (D) Three (3) school years of social studies, including  
2 history, American government and economic systems and  
3 institutions, provided business instructors may instruct classes  
4 on economic systems and institutions." . SOMMERS
