11
12 Page 2-lines 5 through 10 Delete entirely and insert:
13
14 "(xxxviii) Create model school safety and security
15 guidelines to assist school districts in developing comprehensive
16 safety and security plans, as required by 21-3-110(a)(xxxvii), in
17 consultation with a school safety and security advisory committee
18 assembled by the state superintendent. The advisory committee may
19 be comprised of representatives from the governor's office,
20 Wyoming school districts, the attorney general's office, the
21 division of homeland security, the school facilities division of
22 the state construction department, the department of health, the
23 department of education, the department of fire prevention and
24 electrical safety, the Wyoming national guard, law enforcement and
25 first responder agencies and parents and students. The advisory
26 committee may assist the state superintendent with other matters
27 relating to school safety and security and may meet at the call of
28 the state superintendent."
