5 "(c) The commission may recommend financing be provided to
6 an eligible public entity for an otherwise eligible water project
7 whether or not the public entity owns the proposed project or holds
8 fee title to all lands upon which the project would be situated.
9 The commission shall not disqualify a proposed project from
10 consideration based upon a public entity's failure to own a
11 proposed project, or to hold title to all lands upon which a
12 project would be situated, without providing the public entity an
13 opportunity to establish the public benefit anticipated to be
14 derived from the proposed project is sufficient to support the
15 expenditure of public funds. The establishment of sufficient
16 public benefit shall not alone qualify a project for funding, but
17 shall be a minimum requirement for recommended funding.". DRISKILL
