8 "(b) Grizzly bears are trapped and relocated in Wyoming and
9 in some cases are euthanized for livestock depredation, property
10 damage or endangerment of human life. If it determines under the
11 laws of the state of Wyoming that extraterritorial relocation would
12 be beneficial for managing Wyoming's wildlife and protecting
13 Wyoming workers and other citizens and tourists of the state, the
14 game and fish commission may relocate to the state of California
15 all grizzly bears trapped for relocation or that would otherwise
16 be euthanized.". HICKS
