41
42 "(g) The following definitions shall apply to this section,
43 "subject to further definition by rule of the commission, provided
44 "the rules shall not be less restrictive than the following:

1
2 (i) "Architectural alteration" of a building means a
3 material modification to the finish or architectural details of a
4 floor, wall or ceiling, including casing, trim and other
5 attachments thereto, and excluding repair or replacement which
6 attempts to retain existing finishes and architectural details;

7
8 (ii) "Structural alteration" of a building means any
9 change in the supporting members of a building, such as bearing
10 walls, columns, beams and girders, or a material change in the
11 dimensions or configurations of a floor, ceiling or wall;

12
13 (iii) "Architectural or structural alteration" of
14 grounds shall include material modification of contours or
15 placement or removal of pathways or statues."
