"Section 13. [University medical education programs].

(a) Not later than October 1, 2020, the University of Wyoming shall report to the legislature expenditures for medical education programs for human health services, including but not limited to funds expended for the family medicine program under W.S. 21-17-125, the "WWAMI" medical education program, and medical education programs for human health care under 21-16-201 and 21-16-202. Undergraduate medical programs, nursing programs and pharmacy program expenditures need not be reported. The report shall include expenditures for the fiscal biennium ending June 30, 2020 by program.

(b) The University shall also report estimated resources necessary to establish and maintain a medical school which would meet accreditation requirements for licensing as a physician under Wyoming's "Medical Practice Act." The University shall include any recommendations regarding the establishment of a medical school in Wyoming under the purview of the University's board of trustees as it deems would be in the best interest of providing health care services to citizens of the State.

(c) It is the intent of this section to compare current expenditures by the State for post-graduate medical education to anticipated costs of establishing an accredited medical school graduating students with credentials sufficient for licensure under the Wyoming Medical Practice Act, and the provisions of this section shall be construed in light of this intent."
