5 "Any Wyoming institution of higher education receiving funding  
6 from the state of Wyoming shall accept as valid and transferrable  
7 any college level credit hour previously completed with an  
8 acceptable grade in any other Wyoming institution of higher  
9 education. An institution of higher education may decline to  
10 accept a credit hour only if there is a lack of demonstrable  
11 applicability to the current educational standards of the  
12 institution. The length of time since completion of the credit  
13 hour, without more, shall not demonstrate a lack of applicability.  
14 Each institution of higher education shall establish appropriate  
15 policies to implement this section, which shall include an appeals  
16 process available to persons who are denied acceptance of a college  
17 level credit hour.". NETHERCOTT
