6 "The Wyoming Constitution allows the state to invest state funds  
7 in equities such as the stock of corporations, but does not allow  
8 the funds of counties, cities and other political subdivisions to  
9 be invested in equities. The adoption of this amendment would  
10 allow the funds of counties, cities and other political  
11 subdivisions to be invested in equities to the extent and in the  
12 manner the legislature may allow by law. Any law authorizing the  
13 investment of specified political subdivision funds in equities  
14 would require a two-thirds vote of both houses of the  
15 legislature.". PERKINS
