15
16 **"37-16-102. Electric utility requirements.**

17
18 (a) An electric utility:

19
20 (iii) Shall not May, after opportunity for hearing and
21 upon commission approval, charge a customer-generator any fee or
22 charge that would increase the customer-generator's minimum
23 monthly charge to an amount greater than customer-generators a
24 fee, charge or rate different than or in addition to that of
25 charged other customers of the electric utility in the same rate
26 class as the customer-generator. to the extent necessary to
27 maintain just and reasonable rates for all customers of the
28 utility;

29
30 (iv) Shall not charge any customer generator who was
31 operating net metering equipment that became operational on or
32 before July 1, 2021 any fee, charge or rate different than or in
33 addition to that charged other customers of the electric utility
34 in the same rate class until after June 30, 2040 or upon the time
35 the customer generator replaces, materially alters or increases
36 the capacity of the net metering equipment, whichever occurs first.

37
38 **37-17-101. Definitions.**

39
40 (a) As used in this article:

41
42 (iv) "Retail rates" means the monthly facilities
43 charge, and the rates charged for any energy related commodity and

1 any rates and charges related to the accommodation of net
2 metering". ZWONITZER, CLAUSEN, EYRE, MACGUIRE
