

FISCAL NOTE

This bill contains a re-appropriation of \$20,000,000 to the Department of Agriculture from any federal funds appropriated in 2020 Wyoming Special Session Laws, Chapter 1, Section 2(b). This re-appropriation is effective immediately.

This re-appropriation would be used for grants to eligible meat processing facilities to ensure continued meat processing capability within the state of Wyoming.

The bill states that any unexpended, unobligated funds remaining from this re-appropriation on December 30, 2020 shall revert as provided by law.

The program created by section 2 of the bill shall terminate on December 30, 2020.
