

FISCAL NOTE

No significant fiscal or personnel impact.

This bill would reduce the number of board members for the Wyoming Business Council (WBC) from 15 to 13 members in fiscal year 2023. The WBC states that as part of their step two budget reductions, the budget for in-person board meetings was reduced. Their board meetings occur quarterly, and only one meeting per year will be held in person. The variable cost per board member per in-person meeting is about \$500. The reduction of two board members would reduce expenditures by approximately \$1,000 per year beginning fiscal year 2023.
