## Description of Appropriation(s):

The WDH will develop and administer a new grant program for the purposes of promoting telehealth in Wyoming. The grants will be administered to healthcare providers to purchase and use telehealth equipment, provide outreach and education related to telehealth, and obtain technical support for telehealth and the equipment.

The WBC will establish a grant program for local governmental entities to contract with commercial broadband providers to provide internet at public wireless access points. The WBC anticipates using FY 2022 to stand up the program and will start deploying grants in FY 2023.

**NOTICE-AGENCY ESTIMATE OF ADMINISTRATIVE IMPACT REQUESTED**

This bill has administrative impact that appears to increase duties or responsibilities of one or more state agencies and may impact agency spending or staffing requirements. As introduced, the bill does not modify any state agency budget or current personnel authorizations.

The following state agencies will be asked to provide their estimate of the administrative fiscal impact prior to the first committee meeting held to consider the bill:

Wyoming Business Council
