

FISCAL NOTE

No significant fiscal or personnel impact.

The Board of Nursing Home Administrators (Board) indicates the number of applicants to the Board is a small number, and any costs for background checks would be negligible. As such, there is no anticipated fiscal impact for this bill.

On its own, this bill will not result in a significant revenue increase from background check fees or require additional personnel and/or funding. However, passage of multiple bills of this type may result in a cumulative administrative impact to the Division of Criminal Investigation.
