Section 333.

(a) There is appropriated five million dollars (\$5,000,000.00) from the general fund to the department of state parks and cultural resources for the siting and construction of the Wyoming state shooting complex. This appropriation shall be reduced by one dollar (\$1.00) for every one dollar (\$1.00) up to five million dollars (\$5,000,000.00) appropriated for the Wyoming state shooting complex under 2023 Senate File 0169 as enacted into law, including funds appropriated to an account created for the Wyoming state shooting complex but excluding funds appropriated for task force costs.

(b) It is the intent of the legislature that this appropriation not be included within the department of state parks and cultural resource's standard budget for the immediately succeeding fiscal biennium. This appropriation shall not be transferred or expended for any other purpose and any unexpended, unobligated funds remaining from this appropriation shall revert as provided by law on June 30, 2026.

(c) This section shall only be effective if 2023 Senate File 0169 is enacted into law."
