

1 Delete the Brown second reading amendment (HB0065H2001/A) and the  
2 Zwonitzer, Dn second reading amendment (HB0065H2002/A) entirely  
3 and further amend as follows:

4  
5 Page 8-after line 7           Insert:

6  
7           "(vi) Review its practices under this article not less  
8 than every four (4) years to ensure that the services provided are  
9 and remain best evidence-based practices for suicide prevention."

10  
11 Page 11-line 14           After "fiscal year" insert ", provided that  
12 funds in the account shall only be expended  
13 upon further appropriation by the  
14 legislature".

15  
16 Page 13-line 4           Delete "pursuant to".

17  
18 Page 13-line 5           Delete "subsection (b) of this section"; after  
19 "shall be" delete balance of line.

20  
21 Page 13-line 6           Delete entirely and insert "prioritized to the  
22 extent practicable to first fund those  
23 services representing the best evidence-based  
24 practices for the prevention of suicide, which  
25 may include the following:".

26  
27 Page 13-line 8           Delete "Create" and insert "Creating"; delete  
28 "maintain" and insert "maintaining".

29  
30 Page 13-line 15          Delete "Support" and insert "Supporting";  
31 delete "enhance" and insert "enhancing".

32  
33 Page 13-line 21          Delete "Take" and insert "Taking".

34  
35 Page 13-after line 23    Insert:

36  
37           "(iv) Providing other goods or services, including  
38 health care services, that do not infringe on fundamental  
39 individual liberties and that, according to best evidence-based  
40 practices, are likely to lead to the prevention of suicide.". STITH
