and an insurer related to its insured prescription drug benefits. Funds retained under this paragraph shall be remitted to and retained by the insurer and shall be used by the insurer to lower premiums for covered persons under the insurer's health benefits plan or to allow for remittance directly to the covered person at the point of sale to reduce the covered person's out-of-pocket costs;

(vii) Prohibit a pharmacy, pharmacy services administrative organization, contracting agent or agent of a pharmacy from sharing, upon request, copies of pharmacy benefit manager contracts with requesting pharmacies or the department of insurance;

(viii) Prohibit, restrict or limit disclosure of information to the insurance commissioner, law enforcement or other state or federal government officials who are investigating or examining a complaint or conducting a review of the pharmacy benefit manager's compliance with the requirements of this chapter;

(ix) Reimburse a pharmacy for pharmacy services in an amount less than the amount that the pharmacy benefit manager reimburses a pharmacy benefit manager owned or pharmacy benefit manager affiliated pharmacy for providing the same pharmacy services. The reimbursement amount paid to the pharmacy shall be equal to the reimbursement amount paid to a pharmacy benefit manager owned or pharmacy benefit manager affiliated pharmacy.

(b) A person's choice of network provider shall include a retail pharmacy. An insurer or pharmacy benefit manager shall not require or incentivize using any discounts in cost sharing or a reduction in copay or the number of copays to individuals to receive prescription
