<b>NON-ADMINISTRATIVE IMPACT</b>			
Anticipated Expenditure increase			
GAME & FISH FUND	\$4,200	\$0	\$0

Source of expenditure increase:

Wyoming Game and Fish Department (Department) personnel time spent on modifying and implementing Wyoming Game and Fish Commission (Commission) regulations

Assumptions:

The Department would have to modify all Commission regulations pertinent to this statute and go through the public comment and Commission approval process. The Department estimates this effort will require approximately 60 hours at a rate of \$70.00 per hour.

The expenditure increase reflected above could be considered an administrative cost. However, for simplicity and to follow consistent practice on legislation of this type, it is included on the fiscal note.
