FISCAL NOTE

	FY 2024	FY 2025	FY 2026
NON-ADMINISTRATIVE IMPACT			
Anticipated Expenditure increase			
HIGHWAY FUND	\$20,000		

Source of expenditure increase:

The Department of Transportation (Department) would need to implement computer system programming changes to facilitate the addition of the citation to the record without taking any action.

Assumptions:

The Department assumes a total cost for computer reprogramming of \$20,000.

The expenditure increase reflected above could be considered an administrative cost. However, for simplicity and to follow consistent practice on legislation of this type, it is included on the fiscal note.

Any additional fiscal or personnel impact is not determinable due to insufficient time to complete the fiscal note process.
