

Natural resource funding-large project  
threshold increase.

23LSO-0207, 1.0

**FISCAL NOTE**

No significant fiscal or personnel impact.

The bill increases the threshold of grant funding for a project of the Wildlife and Natural Resource Trust Board to qualify as a "large project" from \$200,000 to \$400,000, effective for project applications initially approved on and after July 1, 2023. It also increases the amount of additional grants the board can approve for a large project without legislative authorization from \$100,000 to \$200,000.
