25
26 (a) If directed by the governor, the insurance commissioner of this state
27 and the director of the department of health shall, as soon as practicable,
28 negotiate with the centers for Medicare and Medicaid services of the United
29 States department of health and human services to obtain a state plan amendment
30 or other federal authorization to provide for Medicaid expansion to cover all
31 persons described under section 1902(a)(10)(A)(i)(VIII) of the Social Security
32 Act, 42 U.S.C. § 1396a(a)(10)(A)(i)(VIII), or any other federal law that
33 replaces that act before the repeal of this section and subject to the
34 requirements imposed under subsection (b) of this section.

35
36 (b) If the negotiation authorized by subsection (a) of this section
37 reveals viable and fiscally advantageous options as determined by the governor
38 for the expansion of Medicaid eligibility in Wyoming, the governor by and
39 through the department of health is authorized to pursue any Medicaid plan
40 amendments or other waivers that are necessary and prudent for the expansion.
41 Any expansion authorized under this section shall be subject to the following
42 requirements and restrictions:

43

6 this section shall be used in violation of W.S. 35-6-138;
7

15

16 (d) The department of health shall provide notice to the governor and
17 state auditor on the date that an expansion of Medicaid eligibility under
18 this section has occurred. On the date notice is received, the state auditor
19 shall, notwithstanding W.S. 39-15-111(p)(i)(A), transfer eleven million

Except for funds specified by the legislature that guarantee the obligations of permanent Wyoming mineral trust fund investment earnings and funds to be transferred into the permanent Wyoming mineral trust fund, funds deposited into the reserve account created by this subsection are intended to be inviolate and constitute a permanent or perpetual trust fund. Beginning July 1, 2021 for fiscal year 2022 and each fiscal year thereafter, to the extent funds are available, the state treasurer shall transfer unobligated funds from this account to the general fund on a quarterly, pro-rata basis as necessary to ensure that an amount equal to two and one-half percent (2.5%) of the previous five (5) year average market value of the permanent Wyoming mineral trust fund, calculated on the first day of the fiscal year, is available for expenditure during each fiscal year. As soon as possible after the end of each of the fiscal years beginning on and after July 1, 2017, after making any transfer required pursuant to paragraphs (i) and (ii) of this subsection, revenues in this account in excess of two hundred forty-five percent (245%) of the spending policy amount in subsection (d) of this section shall be credited to the permanent Wyoming mineral trust fund. For fiscal year 2020 and for each fiscal year thereafter:

(d) The annual spending policy for the permanent Wyoming mineral trust fund is, for each fiscal year (FY), as specified in this subsection:

(v) An amount equal to five percent (5%) of the previous five (5) year average market value of the trust fund, calculated from the first day of the fiscal year, except as provided in paragraph (viii) of this subsection;-

(viii) For fiscal years 2025 and 2026, an amount equal to four and one-half percent (4.5%) of the previous five (5) year

average market value of the trust fund, calculated from the first day of the fiscal year.

(f) There is created the common school permanent fund reserve account. All funds within the account shall be invested by the state treasurer as authorized under W.S. 9-4-715(a), (d), (e) and (r) and, except as otherwise provided in this subsection, all investment earnings from the account shall be credited to the account. For fiscal years 2025 and 2026, investment earnings from the account shall be credited to the account and the common school account within the permanent land fund in equal amounts. Except for funds specified by the legislature that guarantee the obligations of the investment earnings from the common school account within the permanent land income fund and funds to be transferred into the common school account within the permanent land fund, funds deposited into the reserve account created by this subsection are intended to be inviolate and constitute a permanent or perpetual trust fund. Beginning July 1, 2017 for fiscal year 2018 and each fiscal year thereafter, the state treasurer shall transfer unobligated funds from this account to the common school account within the permanent land income fund as necessary to ensure that an amount equal to the spending policy amount established in subsection (h) of this section is available for expenditure annually during the fiscal year. As soon as possible after the end of each of the fiscal years beginning on and after July 1, 2017, revenues in this account in excess of four hundred twenty percent (420%) of the spending policy amount shall be credited to the common school account within the permanent land fund.

(h) The annual spending policy for the common school account within the permanent land fund is, for each fiscal year (FY), as specified in this subsection:

(v) An amount equal to five percent (5%) of the previous five (5) year average market value of the account, calculated from the first day of the fiscal year, except as provided in paragraph (viii) of this subsection;

(viii) For fiscal years 2025 and 2026, an amount equal to four and one-half percent (4.5%) of the previous five (5) year average market value of the account, calculated from the first day of the fiscal year."
