

SENATE FILE NO. SF1011

Medical malpractice insurance account-2.

Sponsored by: Joint Appropriations Interim Committee

A BILL

for

1 AN ACT relating to medical malpractice premiums; creating
2 the medical malpractice insurance assistance account;
3 authorizing assistance for payment of physicians' medical
4 malpractice insurance premiums as specified; providing
5 requirements; specifying duties; providing an
6 appropriation; and providing for an effective date.

7

8 *Be It Enacted by the Legislature of the State of Wyoming:*

9

10 **Section 1.**

11

12 (a) The Wyoming legislature finds that:

13

14 (i) Physicians' medical malpractice insurance is
15 available from a very limited number of authorized insurers
16 in Wyoming and has been recognized to be a noncompetitive
17 market by the Wyoming insurance commissioner;

1

2 (ii) That limited availability has been
3 exacerbated by the withdrawal from the state of one (1) of
4 the two (2) major medical malpractice insurers. That
5 action will require some physicians to change insurers and
6 some to acquire coverage for prior acts;

7

8 (iii) Medical malpractice insurance premiums
9 generally are increasing. These premiums are even more
10 costly if a physician is required to change insurers. The
11 increased premiums are causing and may continue to cause
12 physicians to limit or close their practices, or in some
13 cases, to leave the state;

14

15 (iv) Wyoming has difficulty recruiting and
16 retaining sufficient numbers of physicians to practice in
17 various parts of the state;

18

19 (v) A sufficient number of physicians throughout
20 the state is critical to the availability of adequate
21 medical care for Wyoming citizens, particularly individuals
22 under the Wyoming Medical Assistance and Services Act and
23 the Wyoming Uninsured Child Health Insurance Program, as
24 well as to other needy individuals;

1

2 (vi) Ensuring the availability of adequate
3 medical care to Wyoming citizens is a compelling interest
4 of the state; and

5

6 (vii) The availability of adequate medical care
7 to Wyoming citizens, is threatened without implementation
8 of this act.

9

10 (b) The legislature determines that the assistance
11 contemplated by this act is necessary to support the
12 compelling state interests of ensuring the availability of
13 adequate medical care, encouraging physicians to offer
14 medical care in Wyoming's communities, and encouraging
15 physicians to provide medical care to needy and poor
16 persons. The legislature further determines that
17 assistance contemplated by this act is both for a public
18 purpose and for necessary support of the poor as authorized
19 in Article 16, Section 6 of the Wyoming Constitution.

20

21 **Section 2.** W.S. 35-1-901 and 35-1-902 are created to
22 read:

23

20 section. Loan proceeds shall not be disbursed until the

5 breach of the contract. The department may obtain the
6 assistance of the attorney general to recoup the amount of
7 loan and interest due under the contract, together with
8 attorney fees and other costs of collection.

9
10 (g) The loan amounts and the name of a physician
11 receiving loans under this section shall be a public
