6 submit a copy to the state superintendent of public  
7 instruction by December 1, 2006.

8  
9           (d) To assist school districts in developing their  
10 policies, the Wyoming department of education shall develop  
11 a model policy applicable to grades kindergarten through  
12 twelfth. The model policy shall be issued by September 1,  
13 2006.

14  
15           (e) Notice of the school district's policy shall  
16 appear in any student handbook, and in any school district  
17 publication that sets forth the comprehensive rules,  
18 procedures and standards of conduct for the school.

20           **21-3-603. Immunity.**

21

22           (a) A school employee, student or volunteer is  
23 individually immune from a cause of action for damages  
24 arising from reporting the incident, if that person:

1

2 (i) In good faith promptly reports an incident  
3 of harassment, intimidation or bullying;

4

5 (ii) Makes the report to the appropriate school  
6 official as designated by the policy; and

7

8 (iii) Makes the report in compliance with the  
9 procedures as specified in the policy.

10

11 **21-3-604. Policy training and education.**

12

13 (a) Schools and school districts are encouraged, but  
14 not required, to form bullying prevention task forces,  
15 programs and other initiatives involving school staff,  
16 students, teachers, administrators, volunteers, parents,  
17 law enforcement and community members.

20 appropriated for these purposes, each school district  
21 shall:

22

2 intimidation or bullying policy to school employees and  
3 volunteers who have direct contact with students; and  
4

5           (ii) Develop a process for educating students on  
6 the harassment, intimidation or bullying policy.  
7

8           (c) Information regarding the school district policy  
9 against harassment, intimidation or bullying shall be

11 program.  
12

13           **21-3-605. Liability.**  
14

15 Nothing in this article prohibits a victim from seeking  
16 redress under any other provision of civil or criminal law.  
17

18           **Section 2. Legislative findings.**  
19

20           (a) The legislature finds that a safe and civil  
21 environment in school is necessary for students to learn  
22 and achieve high academic standards. The legislature finds  
23 that harassment, intimidation or bullying, like other  
24 disruptive or violent behavior, is conduct that disrupts

1 both a student's ability to learn and a school's ability to  
2 educate its students in a safe, nonthreatening environment.

3

4 (b) The legislature further finds that students learn  
5 by example. The legislature charges school administrators,  
6 faculty, staff and volunteers with demonstrating  
7 appropriate behavior, treating others with civility and  
8 respect, and refusing to tolerate harassment, intimidation  
9 or bullying.

10

11 **Section 3.** This act is effective July 1, 2006.
