4  
5 "The board shall sell both parcels in a single transaction  
6 unless, if the Antelope Flats parcel is conveyed first, as part  
7 of the conveyance the department of the interior:

8  
9 (i) Releases any scenic right of way easement on the  
10 Kelly parcel and any other encumbrance on the parcel held by the  
11 United States department of the interior at the time of the  
12 conveyance;

13  
14 (ii) Releases any easement on the Kelly parcel  
15 providing a right of way for a public road on that parcel, held  
16 by the United States department of the interior, beyond the  
17 minimum width required for a public road under Wyoming law; and

18  
19 (iii) Conveys to the state of Wyoming a right of way  
20 for a public road on the Kelly parcel of the minimum width  
21 required for a public road under Wyoming law, and agrees to  
22 maintain a public road on the Kelly parcel."

25  
26 "(f) In exercising its authority to sell the parcels or to  
27 extend the time period for any sale under subsection (e) of this  
28 section, the board shall determine that the action is consistent  
29 with state trust land management objectives. The board shall  
30 include in its consideration the status of any pending  
31 environmental impact statement affecting the value of the  
32 parcels or any other state school trust lands and the impact of  
33 any federal moratorium on coal lease bonus payments which  
34 otherwise would be distributed under W.S. 9-4-601(b) to the  
35 school capital construction account."
