(g) Notwithstanding W.S. 9-2-1008, 9-2-1012(e) and 9-4-207, of unexpended, unobligated monies appropriated for purposes of employer paid health, dental and life insurance benefits under 2016 Wyoming Session Laws, Chapter 31, as amended by 2017 Wyoming Session Laws, Chapter 120 shall not revert on June 30, 2018, and are hereby reappropriated to the state auditor's office for purposes provided for in this subsection. Loans or expenditures may be made from this reappropriation only upon determination by the governor that insufficient funds exist from appropriations in this act and all enacted laws for employee group health, dental and life insurance premium increases during the period beginning July 1, 2018 and ending June 30, 2020. Upon notification from the governor, the state auditor shall transfer funds to agencies for purposes of state employees' and officials' group insurance fund cash flow loans or employee group health, dental and life insurance premium increases. Loans shall be repaid with cash balances in excess of eighteen million five hundred thousand dollars (\$18,500,000.00) within the combined state employees' and officials' group insurance pools. Interest charged on the amounts borrowed shall be equal to the interest rate earned on pooled fund investments in the previous fiscal year. All transfers authorized under this subsection shall be approved by the governor and reported to the joint appropriations committee through the B-11 process as authorized by W.S. 9-2-1005(b) (ii) and reported pursuant to W.S. 9-2-1013(b). This reappropriation shall not be loaned, transferred or expended for any other purpose not specified in this subsection and any unexpended, unobligated funds remaining from this reappropriation shall revert as provided by law on June 30, 2020.

ENROLLED ACT NO. 51, HOUSE OF REPRESENTATIVES

SIXTY-FIFTH LEGISLATURE OF THE STATE OF WYOMING
2019 GENERAL SESSION

[PERSONAL SERVICES TRANSFERS]

Section 307.

(d) In addition to the authority in section 305 of 2018 Wyoming Session Laws, Chapter 134 and notwithstanding W.S. 9-2-1005(a) and (c) and subsections (a) through (c) of this section, the governor is authorized to transfer up to an aggregate of one hundred seventy-five thousand dollars (\$175,000.00) in general funds from any agency or program to any other agency or program and from any expenditure series to any other expenditure series in order to restore any budget reductions contained in this act for the budget period beginning with the effective date of this act and ending June 30, 2020 if the governor determines that the budget reductions are likely to result in adverse impacts to health, welfare or delivery of state services or result in conflict with other law.

[SCHOOL CAPITAL CONSTRUCTION]

Section 313.

(a) This section shall consist of funds appropriated for the 2019-2020 biennial school capital construction appropriation. Appropriations for capital construction projects shall remain in effect until the project is completed, unless otherwise provided.

(d) An estimated schedule for deploying projects funded by amounts appropriated under ~~subsection (g) of~~ this section and projects funded by previous appropriations, as adopted by the school facilities commission and as contained within the 2019-2020 biennial budget submitted by the commission under W.S. 21-15-119, as modified by the commission's 2019-2020 supplemental budget request, shall be used by the state construction department to guide expenditure of appropriated funds. The estimated schedule developed under this subsection shall be based upon information, processes, events and expenditures and shall not be binding upon the department or the commission.

(p) The following amounts are appropriated from the school capital construction account to the school facilities commission for the 2019-2020 biennial budget period:

(i) In addition to amounts appropriated for charter school leases under paragraph (g) (i) of this section, up to twenty-seven thousand five hundred eighty dollars (\$27,580.00) for the purpose of a charter school lease for an elementary school in Albany County School District #1 for the 2019-2020 school year and four hundred twelve thousand one hundred seventy-one dollars and twenty cents (\$412,171.20) for the purpose of a charter school lease for a secondary school in Laramie County School District #1 for the 2019-2020 school year. The amounts to be distributed under this paragraph shall be reduced to the extent the amounts are duplicative of any

commission for the purpose of replacing an elementary school modular building in Converse County School District #1.

(s) Not later than September 1, 2019, the state construction department shall report to the joint education interim committee and the joint appropriations committee on school capital construction expenditures related to the tribal employment rights ordinance. The report shall include the purpose of each expenditure and recipient of the expenditure for the period beginning July 1, 2009 and ending June 30, 2019. Within the report, the department shall make recommendations for future expenditures and options for alternative expenditures or fiscal structures, if any, within the constraints of the tribal employment rights ordinance.

(t) For unanticipated costs associated with projects funded under paragraphs (p) (ii) and (iii) of this section, up to one million seventy-two thousand two hundred twenty-nine dollars (\$1,072,229.00) may be expended from unexpended, unencumbered amounts remaining from prior appropriations for unanticipated costs as provided in 2012 Wyoming Session Laws, Chapter 16, Section 1(e), 2013 Wyoming Session Laws, Chapter 129, Section 1(b) (viii) and 2014 Wyoming Session Laws, Chapter 82, Section 1(e) (x) and (xi).

[RESERVED STATE AGENCY POOL INVESTMENTS]

Section 320. ~~[Reserved.]~~

(a) For the period beginning with the effective date of this act and ending June 30, 2020, the state treasurer is authorized to borrow from the general fund up to one million five hundred thousand dollars (\$1,500,000.00) as necessary to meet the cash flow requirements of the unclaimed property income fund referenced by W.S. 34-24-124 as the account to receive all interest income from funds received under the Uniform Unclaimed Property Act. Any loan executed under this subsection shall be repaid to the general fund from revenues directed to the unclaimed property income fund within five (5) years of the execution date of the loan. Interest charged on the amounts borrowed shall be equal to the interest rate earned on pooled fund investments in the previous fiscal year. The state treasurer shall report to the governor, state auditor and joint appropriations committee immediately upon exercise of the borrowing authority each time a loan is executed and shall report the loan repayments made to the general fund not less than annually until the loan is fully repaid.

(b) If the state realizes net capital losses in fiscal years 2019 or 2020 from pooled fund investments of more than twenty million dollars (\$20,000,000.00) in any month, on the first occurrence only there is appropriated one hundred fifty thousand dollars (\$150,000.00) from the general fund to the Montgomery trust fund operating account created to account for proceeds invested from property received for the benefit of the visually handicapped citizens of Wyoming by W.S. 25-6-101(b). [UW SCHOOL OF ENERGY RESOURCES-
ADVANCING COAL TECHNOLOGIES]

Section 337.

(a) There is appropriated five million dollars (\$5,000,000.00) from the general fund to the school of energy resources within the University of Wyoming for the design and construction of a pilot project utilizing advanced coal-based generated technology that captures not less than seventy-five percent (75%) of carbon emissions from a Wyoming coal fired power plant of at least five (5) megawatts. The expenditure of this appropriation shall be subject to the following:

(i) The governor shall approve any expenditure and shall take any actions necessary to ensure the legality of an expenditure of this appropriation. Expenditures shall only be made upon a determination by the governor that the construction of the pilot project will result in substantial benefit to the public. No expenditures shall be made without the written opinion of the attorney general certifying the legality of the transaction and all documents connected therewith;

(ii) The state of Wyoming shall have a free, non-exclusive license to any intellectual property developed during the design and construction of any pilot plant supported by the appropriation made by this section. Furthermore, the state of Wyoming has the right of first refusal to assume sole ownership of the physical pilot project facility constructed with this appropriation. State ownership shall not extend to the real property on which the physical plant is located nor to any improvement, equipment or fixture purchased with funds from sources other than the state of Wyoming;

(iii) The school of energy resources shall establish a cooperative effort for the construction, management and operation of the facility between any institution, instrumentality or political subdivision of the state and any accepted partner in the pilot project;

(iv) A signed written agreement between the state of Wyoming and every partner in the pilot project. The agreement shall provide that all data, information, studies, analysis and intellectual property of any kind produced utilizing facilities constructed with funds from this appropriation or matching funds shall only be licensed or transferred to a licensee or transferee who agrees in writing to make every reasonable effort to implement or market the data, information, studies, analysis or intellectual property to manage carbon capture and sequestration in a commercial capacity;

(v) Signed agreements between all partners in the pilot project and the state of Wyoming retaining sovereign immunity and providing indemnification from any liability, damages and legal fees incurred by the

state of Wyoming from any claims, causes of action, injuries or judgments resulting from use of the facilities by an employee, contractor or guest of a partner, researcher or lessor;

(vi) The governor may request a determination by the school of energy resources that the construction of the pilot project has a reasonable likelihood of any of the following:

(A) Increasing the knowledge base within the state of Wyoming on the capture, sequestration and management of carbon emissions from coal fired power plants with the potential benefit of improving the future marketability of Wyoming carbon-based energy sources;

(B) Increasing the national and international exposure of the state of Wyoming and its institutions, instrumentalities and political subdivisions as participants and locations for innovation in the use of energy;

(C) Adding ancillary or supplemental value to Wyoming products or by-products;

(D) Inducing the development of methods or products which may advance the future use of Wyoming carbon based natural resources.

(vii) The governor may prohibit or suspend the expenditure of funds for the pilot project if the governor or the school of energy resources determine at any time that construction of the pilot project will not result in the satisfaction of one (1) or more of the elements of paragraph (vi) of this subsection. If the governor exercises authority to prohibit or suspend expenditures under this paragraph, any funds remaining from the general fund appropriation under this section shall revert as provided by law on June 30, 2020.

[REVIEW OF SUSTAINED HOSPITAL VIABILITY]

Section 338.

(a) There is appropriated two hundred thirty thousand dollars (\$230,000.00) from the general fund to the department of health. This appropriation shall be for the period beginning with the effective date of this act and ending June 30, 2020. The department of health shall only expend this appropriation to contract with qualified persons to provide the studies, analyses and reports required by this section, to assemble, reproduce and distribute the reports and to convene working groups.

(b) The department of health, with the assistance of qualified persons or contractors, shall study and report on all of the following:

ENROLLED ACT NO. 51, HOUSE OF REPRESENTATIVES

SIXTY-FIFTH LEGISLATURE OF THE STATE OF WYOMING
2019 GENERAL SESSION

(i) Identification of medical services provided through Wyoming public and private hospitals, if any, which are at risk of no longer being economically or medically viable in Wyoming or geographic regions of Wyoming;

(ii) Identification of the health risks to Wyoming residents which may result from the lack of medical services identified under paragraph (i) of this subsection;

(iii) Strategies and opportunities to maintain the highest quality and broadest range of medical services through existing public and private hospitals in Wyoming;

(iv) Duplication and competition of medical services and efforts among public and private hospitals within a proximate geographic area based upon populations served;

(v) The report shall include recommendations concerning:

(A) Efficient distribution of hospital medical services;

(B) Whether development of specialized centers of excellence or regionally provided hospital services within Wyoming would improve the viability of Wyoming's public and private hospitals; and

(C) Sustaining and growing, efficient, cost-effective medical services within Wyoming's public and private hospitals.

(c) The department may convene working groups to solicit input. If one (1) or more working groups is created, the groups shall, at minimum, include representatives of the following:

(i) Medical services community;

(ii) Patient groups;

(iii) Insurance companies;

(iv) Legislators, as appointed by the speaker of the house and president of the senate;

(v) Hospital board members; and

(vi) Health policy experts.

(d) Members of any group convened under subsection (c) of this section who are government employees or public officials shall be considered on official business of their agency or of the legislature when performing duties as members of the group. Members of the legislature shall receive

salary, mileage and per diem from the amounts appropriated in this section as provided under W.S. 28-5-101. Members of any group convened under subsection (c) of this section who are not members of the legislature, public officials or government employees shall receive mileage and per diem as provided under W.S. 28-5-101.

(e) There is appropriated twenty thousand dollars (\$20,000.00) from the general fund to the legislative service office. This appropriation shall only be expended pursuant to subsection (d) of this section for members of the legislature who may be appointed to any group convened under subsection (c) of this section.

(f) The department of health or at the department of health's direction, the persons or consultants contracted by the department pursuant to this section, shall compile all reports and analyses required by this section, together with any recommendations developed under this section, into a single report that shall be provided to the joint labor, health and social services interim committee and the joint appropriations committee on or before October 1, 2019.

[EARLY CHILDHOOD PROGRAMS]

Section 339.

(a) There is appropriated two hundred fifty thousand dollars (\$250,000.00) from the general fund to the department of education for grants available to school districts or other nonprofit service providers to facilitate community early childhood collaboratives promoting high standards for early learning opportunities and maximizing use of resources.

(b) The department of education shall establish by rule a process for grant administration under this section in coordination with the governor's early childhood state advisory council established through executive order 2010-2. Any rule shall be promulgated in sufficient time to enable awarding of grants to applicant school districts and nonprofit service providers during school year 2019-2020.

(c) Grants awarded in accordance with this section shall be matched in the ratio of one dollar (\$1.00) of appropriated funds to every four dollars (\$4.00) of matching funds from the applicant, which may include local tax dollars, federal dollars, parent tuition, philanthropic contributions and in-kind donations of facilities, equipment and services required as part of the programs such as food services or health screenings.

(d) The governor's early childhood state advisory council shall assist the department of education with the implementation and evaluation of grants awarded in accordance with this section. The department of education shall report on the grants awarded to the joint appropriations committee and

[WILDLIFE TRUST CHALLENGE ACCOUNT]

Section 341.

(a) The Wyoming wildlife trust challenge account created by 2006 Wyoming Session Laws, Chapter 35, Section 320 is continued. The state treasurer shall invest funds within the account and shall deposit the earnings from investment of the account to the general fund. There is appropriated five hundred thousand dollars (\$500,000.00) from the general fund to the wildlife trust challenge account.

(b) To the extent funds are available in the wildlife trust challenge account, the state treasurer shall match gifts actually received by the Wyoming wildlife and natural resource trust account board during the donation period provided in this subsection. A match shall be paid under this section by the state treasurer following any accumulated gift amounts in a total of five thousand dollars (\$5,000.00) or more. The match shall be made by transferring from the Wyoming wildlife trust challenge account to the Wyoming wildlife and natural resource trust account created by W.S. 9-15-103(a) an amount equal to the accumulated amount of the gift. The match applies to gifts received during the donation period commencing with the effective date of this act and ending June 30, 2020.

(c) The state treasurer shall make transfers to the Wyoming wildlife and natural resource trust account created by W.S. 9-15-103(a) not later than the end of the calendar quarter following the quarter during which gifts total at least five thousand dollars (\$5,000.00). If gifts are made through a series of payments or transfers, no matching funds shall be transferred under this section until the total value of all payments or transfers actually received totals at least five thousand dollars (\$5,000.00).

(d) Matching funds paid under this section shall not be distributed to or encumbered by the Wyoming wildlife and natural resource trust account board in excess of the amount in the Wyoming wildlife trust challenge account and shall not be transferred to the Wyoming wildlife and natural resource trust account by the state treasurer except to match gifts actually received by the board.

(e) For the purpose of computing the matching amount, the state treasurer shall use the value of a gift based upon its fair market value at
