

FISCAL NOTE

This bill contains an appropriation of \$1,000,000 from the GENERAL FUND to the Wyoming Coal Marketing Program Account (Account) created in the bill.

All funds in the Account are continuously appropriated to the Governor to be expended for the Wyoming Coal Marketing program as provided for in Section 1 of the bill.

No funds shall be provided for projects without the written opinion of the Attorney General certifying the legality of the transaction. Therefore, the expenditure of the amount appropriated to the Account cannot be estimated.
