

FISCAL NOTE

This bill contains an appropriation of \$30,000 from the GENERAL FUND to the Legislative Service Office. This appropriation is effective immediately.

The \$30,000 would be expended for purposes of providing voting and nonvoting members of the Select Committee salary, mileage and per diem. It is anticipated the number of meetings currently scheduled for the Select Committee on School Facilities would increase by at least two days for each legislative interim and an unknown number of subcommittee meetings may occur. The bill also provides for an unknown number of nonvoting members to be appointed to the Select Committee.

The Wyoming Community College Commission, Department of Transportation, Office of State Lands and Investments, and Game and Fish Department indicate this bill will have no significant fiscal or personnel impact.

The University of Wyoming indicates the fiscal impact is indeterminable and if construction projects are delayed by any new processes established as a result of this legislation, it may lead to increased construction costs.

NOTICE-AGENCY ESTIMATE OF ADMINISTRATIVE IMPACT REQUESTED

This bill has administrative impact that appears to increase duties or responsibilities of one or more state agencies and may impact agency spending or staffing requirements. As introduced, the bill does not modify any state agency budget or current personnel authorizations.

The following state agencies will be asked to provide their estimate of the administrative fiscal impact prior to the first committee meeting held to consider the bill:

State Construction Department
