11 **"35-7-123. Establishment of food safety system.**
12

13 (a) The director of the department of agriculture shall
14 establish and maintain a food safety program located within the
15 department. The director shall carry out the provisions of the
16 food safety program and shall be assisted by the director of the
17 department of health. A local department of health, if established
18 according to law, may establish and maintain its own local food
19 safety program so long as the program meets the requirements of
20 this act. The director of the department of agriculture or his
21 designee shall:
22

23 (iii) Regulate the safety of foods and work together
24 with the department of health and the governor's food safety
25 council established pursuant to W.S. 35-7-127 to promulgate rules
26 and regulations necessary to carry out the provisions of this act,
27 except that the director of the department of agriculture shall
28 not promulgate any rules which impose standards or requirements
29 related to meat processing which are more stringent than federal
30 law, rules or regulations. In any area which does not have a local
31 food safety program established pursuant to law, the department
32 shall issue licenses, conduct inspections, hold hearings to
33 enforce any legal provision or rule promulgated under this act;
34

35 **35-11-112. Powers and duties of the environmental quality**
36 **council.**
37

38 (g) The council shall not promulgate any rules which impose
39 standards or requirements related to meat processing which are
40 more stringent than federal law, rules or regulations.". DRISKILL
