11 **Section 8.**

12

13 (a) The chairman of the management council of the legislature
14 shall appoint three (3) members of the management council and the
15 governor shall appoint three (3) members of the state building
16 commission or their designees to create a subcommittee to jointly
17 oversee development of the design plans, construction of the
18 interpretive exhibits and wayfinding in the capitol, the capitol
19 extension and the Herschler building. The subcommittee shall:

20

21 (i) In developing recommendations for design and construction
22 documents to the interpretive exhibits, be guided by the schematic
23 design documents developed as part of the capitol square project
24 which are on file with the legislative service office;

25

26 (ii) Report its recommendations to the management council and
27 the state building commission for final approval.

28

29 (b) The legislative service office and construction
30 management division of the state construction department shall
31 staff the subcommittee created by this section. The legislative
32 service office, the state construction department, the department
33 of education, the office of tourism, the department of state parks
34 and cultural resources and other state entities as determined
35 appropriate by the subcommittee shall provide support for the
36 design and construction of the exhibits and wayfinding systems.

37

38 (c) There is appropriated four million five hundred thousand
39 dollars (\$4,500,000.00) from the strategic investments and
40 projects account to the capitol square preservation account.

41

42 (d) There is appropriated four million two hundred fifty
43 thousand dollars (\$4,250,000.00) from the capitol square
44 preservation account to the state construction department. The
45 state construction department shall be the fiscal and contracting
46 agent for expenditure of this appropriation. After consultation
47 with the subcommittee created under this section, the state

1 construction department shall expend this appropriation for the
2 purposes of:

3
4 (i) Development of design and construction documents and
5 the construction of interpretative exhibits for the capitol and
6 the capitol extension in accordance with the recommendations
7 approved by the management council and the state building
8 commission;

9
10 (ii) Design, construction and installation of a
11 wayfinding system and signage for the capitol, the capitol
12 extension and the Herschler building in accordance with the
13 recommendations approved by the management council and the state
14 building commission."
