3       "(f) Prior to seeking the imposition of a mill levy under  
4 this section, the district shall maintain a fee and rental  
5 structure for the facilities and services at the airport which  
6 will make the airport as self-sustaining as possible. The district  
7 shall collect a landing fee of not less than three dollars (\$3.00)  
8 per one thousand (1,000) pounds of maximum gross allowable landing  
9 weight for arrivals of aircraft. The landing fee shall apply to  
10 all non-government operated planes over five thousand (5,000)  
11 pounds maximum gross allowable landing weight to the extent  
12 allowable by federal and state law.". ANDREW
