2

3 "(d) Before the delivery of any vehicle with an automated
4 driving system to a dealer or buyer in this state, the manufacturer
5 shall file with the department proof that the manufacturer
6 maintains liability insurance in the amount of not less than five
7 million dollars (\$5,000,000.00) that insures against losses for
8 which the manufacturer is responsible and that are caused by the
9 vehicle equipped with an automated driving system."

12

13 "(a) The department may develop procedures and issue
14 temporary operating permits for demonstration or testing in the
15 state of vehicles equipped with an ADS that do not meet the other
16 requirements of this article. The permits shall be issued for the
17 purpose of testing or demonstrating the use of such vehicles,
18 systems or networks under actual operating conditions on the
19 highways. The permits shall be issued under the supervision of and
20 under conditions determined by the department." BURKHART,
