1 Page 9-line 22 After "operated" delete "." and insert "if the
2 vehicle is equipped with level 3 or 4
3 automation as the standards of driving
4 automation are defined in the SAE J3016
5 standard. If a vehicle is equipped with a
6 level 5 automation as defined in the SAE J3016
7 standard, the automated driving system is
8 considered to be licensed to operate
9 independently and does not require the
10 dispatching entity to have a valid class of
11 license."
