3 "(c) If an event calls for closure of a state highway within
4 an incorporated city or town, ~~for which there is no readily~~
5 ~~accessible alternate route,~~ the city or town shall ~~request~~
6 ~~department approval for the closure~~ submit to the department an
7 application for highway closure with a map or drawing depicting
8 the proposed highway detour, including signage. If the department
9 determines the proposed detour is inadequate to accommodate the
10 highway traffic, the department shall work with the city or town
11 to identify a suitable detour. If there is no adequate detour
12 available the department is not required to approve the application
13 to close the highway.". LANDEN, CHAIRMAN
