Catch Title: **Off-road recreational vehicles registration authorized.**

Subject: Registering off-road recreational vehicles.

Summary/Major Elements:

- The act authorizes registration for specified off-road recreational vehicles, specifically “dirt bikes” upon an application to the county treasurer. An application requires the following:
 - An indication that the owner wishes to operate the vehicles on public roadways in the state;
 - An indication that the vehicle is owned and operated primarily for off-road recreational use, and will not be used primarily for use on public roadways;
 - The vehicle must be Wyoming titled;
 - A certification on a department of transportation created form that indicates the vehicles has the necessary equipment as required by the act.
- The act specifies necessary equipment required before a vehicle can be registered. Required equipment includes head lamps, tail lamps, rear reflectors, stop lamp, horn, muffler and a mirror.
- The act provides the process for issuing registration and license plates for vehicles registered pursuant to the act.
- The act authorizes specified off-road recreational vehicles to be driven on roadways, but specifically prohibits the use on interstate highways.
- The act makes several conforming changes.
