7 "2. Notwithstanding W.S. 36-1-503(b), of this general fund
8 appropriation, four hundred thousand dollars (\$400,000.00) is
9 appropriated for purposes of funding up to fifty percent (50%) of
10 the costs of any at-will contract positions within the forestry
11 division hired to conduct good neighbor authority projects or other
12 federally funded cooperative forest management projects funded
13 through the Wyoming state forestry good neighbor authority
14 revolving account. It is the intent of the legislature that this
15 appropriation not be included within the office of state lands and
16 investments' standard budget for the immediately succeeding fiscal
17 biennium. This appropriation is intended to incentivize the United
18 States forest service and bureau of land management to increase
19 the use of federal good neighbor authority funds in the state.
20 This appropriation shall not be transferred or expended for any
21 other purpose."
