2 subsection, "industry sponsorship" means a written contractual
3 agreement between a student and an employer whereby the employer
4 agrees to pay for at least twenty-five percent (25%) of the
5 employee's necessary educational costs and may include a
6 requirement that the employee must repay any funds expended by the
7 employer under the terms of the agreement if the employee
8 terminates the employment relationship, without good cause, within
9 not more than three (3) years of entering into the agreement."
