8 the purpose of establishing a grant program for county and  
9 municipal law enforcement agencies to deliver and improve access  
10 to mental health services for county and municipal law enforcement  
11 officers. A county or municipal law enforcement agency seeking a  
12 grant under this footnote shall apply to the department detailing  
13 the agency's grant proposal on an application provided by the  
14 department. Grant proposals shall be evaluated by the department  
15 and prioritized for grant funding based on the following criteria:

16  
17 (i) The degree to which the proposal will reasonably  
18 achieve the intent of this program;

19  
20 (ii) The adequacy of the proposal's approach to  
21 ensuring that any mental health programming funded through the  
22 receipt of a grant can be independently sustained by the county or  
23 municipal law enforcement agency into the future."
