

HB0032

Vaccine requirements-limitations.

Sponsored By: Joint Labor, Health & Social Services Interim Committee

AN ACT relating to public health and safety; requiring health care facilities, governmental entities and providers of essential services to offer reasonable accommodations as specified to persons unable or unwilling to provide proof of immunization; providing for a vaccine monitoring period before an immunization may be mandated for school children; providing that requiring immunization as a condition of employment is a discriminatory or unfair employment practice as specified; providing definitions; and providing for an effective date.
