Section 323. W.S. 9-4-719(b)(i) and (q)(i) is amended to read:

9-4-719. Investment earnings spending policy permanent funds.

(b) There is created the permanent Wyoming mineral trust fund reserve account. All funds within the account shall be invested by the state treasurer as authorized under W.S. 9-4-715(a), (d), (e) and (r) and all investment earnings from the account shall be credited to the account. Beginning July 1, 2021 for fiscal year 2022 and each fiscal year thereafter, to the extent funds are available, the state treasurer shall transfer unobligated funds from this account to the general fund on a quarterly, pro-rata basis as necessary to ensure that an amount equal to two and one-half percent (2.5%) of the previous five (5) year average market value of the permanent Wyoming mineral trust fund, calculated on the first day of the fiscal year, is available for expenditure during each fiscal year. As soon as possible after the end of each of the fiscal years beginning on and after July 1, 2017, after making any transfer required pursuant to paragraphs (i) and (ii) of this subsection, revenues in this account in excess of one hundred fifty percent (150%) of the spending policy amount in subsection (d) of this section shall be credited to the permanent Wyoming mineral trust fund. For fiscal year 2020 and for each fiscal year thereafter:

(i) As soon as practicable after the end of the fiscal year and except as otherwise provided in this paragraph, after making any other transfers provided by law from the permanent Wyoming mineral trust fund reserve account, but prior to calculating the balance of the account under this subsection, the state treasurer shall transfer from the account an amount equal to the difference between the maximum amount which may be credited to the strategic investments and project account pursuant to subsection (q) of this section and the amount actually credited to that account in the applicable fiscal year. For fiscal year 2023 and fiscal year 2024, no funds within the permanent Wyoming mineral trust fund reserve account shall be transferred or credited to the strategic investments and project account as required by this paragraph for purposes of being credited to the school major maintenance subaccount pursuant to W.S. 9-4-220(b)(i). For fiscal year 2023 and fiscal year 2024, the state treasurer shall transfer to the strategic investments and project account from the permanent Wyoming mineral trust fund reserve account an amount equal to the difference between the maximum amount which may be credited to the strategic investments and project account pursuant to subsection (q) of this section less the amount that may be transferred to the school major maintenance subaccount pursuant to W.S. 9-4-220(b)(i) and less the

amount actually credited to the strategic investments and project account in the applicable fiscal year;

(q) The earnings from the permanent Wyoming mineral trust fund under W.S. 9-4-204(u)(iii) during each fiscal year beginning July 1, 2016, which are less than the spending policy established in subsection (d) of this section are appropriated from the general fund subject to subsection (s) of this section and the following:

(i) Except as otherwise provided in this paragraph, any earnings in excess of two and one-half percent (2.5%) of the previous five (5) year average market value of the trust fund, calculated from the first day of the fiscal year and less than or equal to the spending policy amount specified in subsection (d) of this section shall be credited to the legislative stabilization reserve account created by W.S. 9-4-219 and the strategic investments and projects account created by W.S. 9-4-220 in equal amounts. For fiscal year 2023 and fiscal year 2024, no earnings subject to this paragraph shall be credited or distributed to the school major maintenance subaccount created by W.S. 9-4-220(b)(i) until an amount equal to fifty-five percent (55%) of the maximum amount that may be credited to the strategic investments and projects account under this paragraph have been credited or distributed;".

The appropriation in this section and the reappropriation in Section 303(g) of this act shall be subject to the following:

(i) Expenditure of the funds appropriated in this section and reappropriated in Section 303(g) of this act is conditioned upon a match of funds in the ratio of one dollar (\$1.00) of appropriated or reappropriated funds to one dollar (\$1.00) of matching funds from any private entity donating funds or cryptocurrency for this purpose;

(ii) The state treasurer shall make transfers to the university under this section not later than the end of the calendar quarter following the quarter during which not less than ten million dollars (\$10,000,000.00) in matching funds are received by the university. For purposes of calculating the matching amount only, the state treasurer shall use the value of any donated cryptocurrency based on its fair market value at the time the donation is received by the university. The state treasurer shall transfer funds reappropriated in Section 303(g) of this act before transferring funds appropriated in subsection (a) of this section;

(iii) Matching funds appropriated or reappropriated that are transferred to the University of Wyoming under this section shall be endowed by the university and shall be deposited in a separate endowment account. Funds in the separate endowment account shall only be used as specified in this paragraph. Funds within the separate endowment account shall be invested as provided by law and shall not be expended for any other purpose. Earnings generated from investments of the funds within the separate endowment account shall only be used for the following purposes:

(A) Creating a center for smart contract research and development at the University of Wyoming;

(B) Hiring an executive director and other employees for the center for smart contract research and development specified in subparagraph (A) of this paragraph;

(C) Hiring and funding endowed faculty positions that are housed within the center;

(D) Hiring and funding research personnel and graduate students to perform research and development for the center.

(iv) The University of Wyoming may establish an advisory council for the center for smart contract research and development if the center is created as provided in this section;

(v) The reappropriation in Section 303(g) of this act and the appropriation in this section shall not be transferred or expended for any other purpose. Notwithstanding any other provision of law, the reappropriation in Section 303(g) of this act and the appropriation in this section shall not revert."

(i) Is authorized to work with the Wyoming congressional delegation to increase Wyoming's federal medical assistance percentage calculation for current Wyoming Medicaid benefits under Wyoming Medicaid to reflect Wyoming's household income and maximize federal funding more accurately;

(ii) Shall negotiate to extend any temporary federal medical assistance percentage incentives for current Medicaid benefits currently available as a result of the American Rescue Plan Act of 2021, P.L. 117-2 and other federal legislation.

(b) The governor, by and through the department of health and upon giving written notice to the legislature through the joint appropriations committee, is authorized to pursue any federal authorization to carry out this footnote.

(c) This footnote is effective immediately.

10. (a) Of this general fund appropriation, four hundred seventy-eight thousand six hundred fifty-four dollars (\$478,654.00) and of this federal funds appropriation, seven million nine thousand seven hundred seventy-five dollars (\$7,009,775.00) is appropriated for matching funds for purposes of the Older Americans Act of 1965, as amended, and awarded pursuant to the American Rescue Plan Act of 2021, P.L. 117-2, in response to the COVID-19 pandemic, including increased nutrition services. This general fund appropriation or the portion of this general fund appropriation meeting the following conditions shall not be expended and shall revert as provided by law if:

(i) The federal government waives or reduces the state matching requirement of general funds subject to this footnote;

(ii) Expenditures for the purposes of this footnote are less than the general funds appropriation;

(iii) Other funds are identified by the director of the department of health to be expended for the matching requirements associated with this general fund appropriation; or

(iv) Expenditures by local senior citizen centers are deemed allowed by the federal government to satisfy the matching requirement in lieu of this general fund appropriation.

(b) It is the intent of the legislature that the appropriation specified in subsection (a) of this footnote not be included in the department of health's standard budget for the immediately succeeding fiscal biennium. This appropriation shall not be transferred or expended for any other purpose."

For the period beginning July 1, 2022 and ending June 30, 2023, the department of family services shall only expend funds from this appropriation through contracts that reflect an initial reinstatement of funding to stabilize current community juvenile services boards and to provide funds to counties that were not receiving grant funding for community juvenile services boards prior to fiscal year 2021. For the period beginning July 1, 2023 and ending June 30, 2024, the department of family services shall only expend funds from this appropriation through contracts that reflect the reform and expansion of community juvenile services boards. Of this appropriation, two hundred fifty thousand dollars (\$250,000.00) is effective immediately to allow currently operating community juvenile services boards to operate until July 1, 2022. Funds provided to community juvenile services boards under this footnote shall be contingent upon each board collecting and providing basic demographic details on each juvenile as permitted by law and other information that may aid in evaluating outcomes including, but not limited to, disposition, recidivism and returns to school. This appropriation shall not be transferred or expended for any other purpose."

(i) Is authorized to work with the Wyoming congressional delegation to increase Wyoming's federal medical assistance percentage calculation for

current Wyoming Medicaid benefits under Wyoming Medicaid to reflect Wyoming's household income and maximize federal funding more accurately;

(ii) Shall negotiate to extend any temporary federal medical assistance percentage incentives for current Medicaid benefits currently available as a result of the American Rescue Plan Act of 2021, P.L. 117-2 and other federal legislation.

(b) The governor, by and through the department of health and upon giving written notice to the legislature through the joint appropriations committee, is authorized to pursue any federal authorization to carry out this footnote.

(c) This footnote is effective immediately.

10. (a) Of this general fund appropriation, four hundred seventy-eight thousand six hundred fifty-four dollars (\$478,654.00) and of this federal funds appropriation, seven million nine thousand seven hundred seventy-five dollars (\$7,009,775.00) is appropriated for matching funds for purposes of the Older Americans Act of 1965, as amended, and awarded pursuant to the American Rescue Plan Act of 2021, P.L. 117-2, in response to the COVID-19 pandemic, including increased nutrition services. This general fund appropriation or the portion of this general fund appropriation meeting the following conditions shall not be expended and shall revert as provided by law if:

(i) The federal government waives or reduces the state matching requirement of general funds subject to this footnote;

(ii) Expenditures for the purposes of this footnote are less than the general funds appropriation;

(iii) Other funds are identified by the director of the department of health to be expended for the matching requirements associated with this general fund appropriation; or

(iv) Expenditures by local senior citizen centers are deemed allowed by the federal government to satisfy the matching requirement in lieu of this general fund appropriation.

(b) It is the intent of the legislature that the appropriation specified in subsection (a) of this footnote not be included in the department of health's standard budget for the immediately succeeding fiscal biennium. This appropriation shall not be transferred or expended for any other purpose."

For the period beginning July 1, 2022 and ending June 30, 2023, the department of family services shall only expend funds from this appropriation through contracts that reflect an initial reinstatement of funding to stabilize current community juvenile services boards and to provide funds to counties that were not receiving grant funding for community juvenile services boards prior to fiscal year 2021. For the period beginning July 1, 2023 and

ending June 30, 2024, the department of family services shall only expend funds from this appropriation through contracts that reflect the reform and expansion of community juvenile services boards. Of this appropriation, two hundred fifty thousand dollars (\$250,000.00) is effective immediately to allow currently operating community juvenile services boards to operate until July 1, 2022. Funds provided to community juvenile services boards under this footnote shall be contingent upon each board collecting and providing basic demographic details on each juvenile as permitted by law and other information that may aid in evaluating outcomes including, but not limited to, disposition, recidivism and returns to school. This appropriation shall not be transferred or expended for any other purpose."
