FISCAL NOTE

	FY 2023	FY 2024	FY 2025
NON-ADMINISTRATIVE IMPACT			
Anticipated Expenditure increase			
GENERAL FUND	\$48,000	\$48,000	\$48,000

Source of expenditure increase:

This bill creates the Federal Review Standing Committee. The expenditure increase in the table above is the estimated expenditure increase to create the proposed committee.

Assumptions:

It is assumed that the proposed Federal Review standing committee would have 14 committee members.

It is assumed the proposed committee would cost \$48,000 per fiscal year. \$48,000 is the average amount budgeted for the current 14-member standing committees in 2022 SF 2 (Legislative budget), rounded to the nearest \$1,000.

It is assumed there is sufficient funding budgeted in 2022 SF 2 (Legislative budget) to pay for the cost of the proposed committee in the 2023-24 biennium.

This bill also puts all current standing committees into statute. It is assumed that putting the current standing committees into statute would have no fiscal impact.
