

1 (iv) Offering or knowingly providing transportation to
2 or from a provider of elective abortions including:
3

4 (A) Giving instructions over the telephone, the
5 internet, an interactive computer service or any other medium of
6 communication regarding self-administered or self-managed
7 abortions or the measure of obtaining elective abortions;
8

9 (B) Creating, editing, uploading, publishing,
10 hosting, maintaining or registering a domain name for a website,
11 platform or other interactive computer services that assists or
12 facilitates efforts to obtain elective abortions;
13

14 (C) Creating, editing, programming or distributing
15 any application or software for use on a computer or electronic
16 device that is intended to enable individuals to obtain elective
17 abortions or to facilitate access to elective abortions;
18

19 (D) Offering, providing or lending money, digital
20 currency, resources or any other thing of value with knowledge or
21 intent that it will be used to pay for, offset or reimburse the
22 costs of an elective abortion or the costs associated with
23 obtaining an elective abortion, including any type of donation to
24 an abortion provider or an abortion fund.". RODRIGUEZ-WILLIAMS
