8 "(f) In fulfilling its duties under this act the commission  
9 shall:

10  
11 (i) Develop a formal process for implementing grant  
12 awards, pursuant to the Wyoming Administrative Procedures  
13 Act, that, at a minimum, requires notice, public comment  
14 and consideration of alternative proposals that are less  
15 injurious to natural resources;  
16

17 (ii) Consider the impact of increased outdoor  
18 recreation on natural resources and prioritize the  
19 protection of cultural and historical concerns and wildlife  
20 habitat;  
21

22 (iii) Preserve the charter designations of locations  
23 with historical or natural history characteristics;  
24

25 (iv) Consider mitigation of crowding, avoidance of  
26 competition with private industry and the support of  
27 maintaining resources in a natural state." CASE
