9 (a) All state lands shall be disposed of only at public  
10 auction to the highest responsible bidder after having been duly  
11 appraised by the board, and shall be sold at not less than the  
12 appraised value thereof, and for not less than ten dollars (\$10.00)

15 (b) A sale of state lands made for the purpose described in  
16 W.S. 36-9-101(a)(i) shall give preference to a bidder who has legal  
17 access to the parcel to be sold immediately prior to the parcel  
18 being placed for sale. A bidder who has legal access to the parcel  
19 immediately prior to the parcel being placed for sale may elect to

25 the board shall request a final bid from the bidders eligible for  
26 the preference in a manner as directed by the board to determine  
27 the successful bidder. A preference may be defeated and given no  
28 effect under this subsection where the board determines that the  
29 preference should not be recognized for good cause." WESTERN
