31 Page 9-line 4 Before "Except" insert "(a)"; after  
32 "subsection" delete ";" and insert ",".  
33  
34 Page 9-after line 20 Insert:  
35  
36 "(b) The prohibition in subsection (a) of this section shall  
37 not apply to the conversion of a coal-fired electric generation  
38 unit to natural gas if the commission determines that it is in the  
39 public interest to convert the unit rather than maintaining its  
40 availability for carbon capture.  
41  
42 (c) Before January 1, 2024, each electric public utility that  
43 owns, leases or controls a coal-fired electric generation facility  
44 or unit in Wyoming shall provide a report and plan to the  
45 commission detailing how the public utility intends to operate and  
46 maintain its coal-fired electric generation facilities or units in  
47 Wyoming so that the facility or unit may be potentially augmented

1 with carbon capture, utilization and sequestration technology in  
2 the future and the steps the public utility will take to avoid  
3 unreasonably causing carbon capture, utilization and sequestration  
4 technologies to be more expensive to implement in the future. The  
5 commission shall review each report submitted under this  
6 subsection and, if the commission determines the report and plan  
7 to be deficient or unreasonable, may order the public utility to  
8 take any actions as may be in the public interest and consistent  
9 with the objective of preserving the ability of Wyoming coal-fired  
10 electric generation units or facilities to be augmented in the  
11 future with carbon capture, utilization and sequestration  
12 technologies."
