

Collection of antler or horns by residents  
and nonresidents.

23LSO-0295, 1.1

**FISCAL NOTE**

The fiscal impact is indeterminable.

Developing regulations for the collection of big game animal shed antler and horn seasons would require personnel time to develop program stipulations, modify Game and Fish Commission regulations, conduct the public input process, and communicate changes to the public on an ongoing basis. It would also involve increased law enforcement time to ensure compliance with statute and regulation.

The Game and Fish Department states that the fiscal impact cannot be determined at this time.
