

FISCAL NOTE

	FY 2024	FY 2025	FY 2026
NON-ADMINISTRATIVE IMPACT			
Anticipated Revenue increase			
SPECIAL REVENUE FUND	\$140,000	\$0	\$0

Source of revenue increase:

Increase in license fees from additional sports wagering vendor permits and key personnel license fees

Assumptions:

The Gaming Commission assumes the assessment of 9 five-year vendor permit fees at \$10,000 (9 x \$10,000 = \$90,000) and 200 five-year "key personnel" licenses at \$250 (200 x \$250 = \$50,000).

The Gaming Commission anticipates no fiscal impact from the proposed online sports wagering loss carryover language, based on recent historical data, and views this proposed language as a precautionary measure to avoid catastrophic mistakes made by operators that would result in negative balances.
