4 *Be It Enacted by the Legislature of the State of Wyoming:*

5

6 **Section 1.** W.S. 20-2-304(a)(i) through (v) is amended

8

9 **20-2-304. Presumptive child support.**

10

11 (a) Child support shall be expressed in a specific  
12 dollar amount. The following child support tables shall be  
13 used to determine the total child support obligation  
14 considering the combined income of both parents. The  
15 appropriate table is based upon the number of children for  
16 whom the parents share joint legal responsibility and for

1 whom support is being sought. After the combined net income  
 2 of both parents is determined it shall be used in the first  
 3 column of the tables to find the appropriate line from  
 4 which the total child support obligation of both parents  
 5 can be computed from the third column. The child support  
 6 obligation computed from the third column of the tables  
 7 shall be divided between the parents in proportion to the  
 8 net income of each. The noncustodial parent's share of the  
 9 joint child support obligation shall be paid to the  
 10 custodial parent through the clerk as defined by W.S.  
 11 20-6-102(a)(x):
